Two blondes and a red-head team up for an afternoon of frolicking at the shore. Showing rare form are Cady Cantrell, Kelly Jackson and Michelle O'Malley (here and preceding spread, left to right). It's bottoms up for this high-spirited trio.

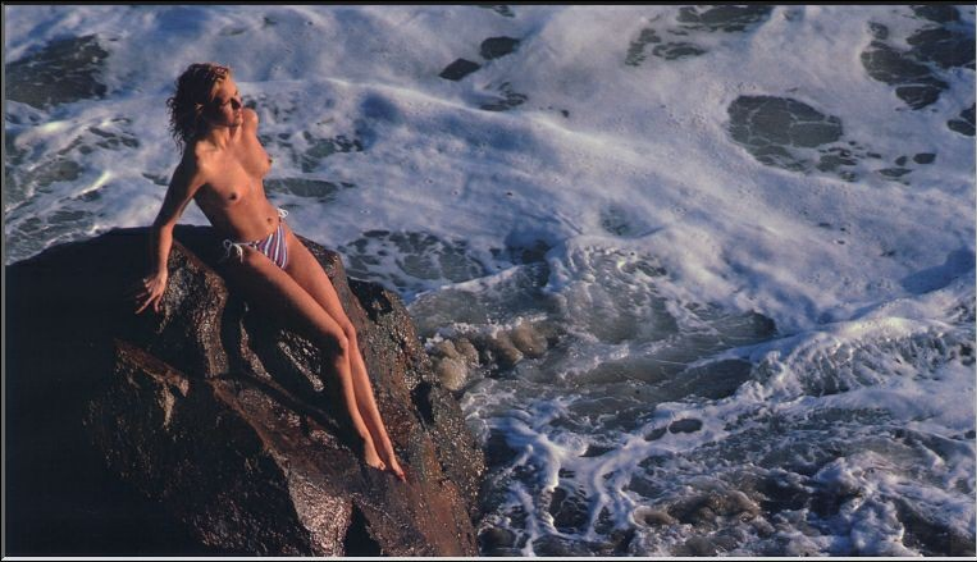

Pulling out all the stops, Leah Luchette finds the tingle of getting splashed totally disinhibiting. Luckily, her minuscule lime-green suit is as adaptable as she is. Overleaf: Michele Smith makes an adjustment to her bra while carrying on a telephone conversation. It's uncanny, but Michele never seems to get a wrong number.
